

THOMSON-SHORE

Helping you put your best book forward®

Creating better book manufacturing solutions for publishing customers whether you need 200 or 50,000 copies is what we do. Our goal is to create lasting relationships with customers, Thomson-Shore provides exceptional Customer Service, expert knowledge and the most efficient up-to-date processes available. We are very proud of our FSC certification and also our membership in the Green Press Initiative.

In 2003, we became the first U.S. Book Manufacturer to join this important initiative to preserve our environment. Thomson-Shore takes pride that 100% of its stocking papers are between 10% and 100% Post Consumer Recycled fibers.

Since its birth in 1972, the cornerstone of Thomson-Shore has been its people.

- *People that are passionate about beautiful books...*
- *People who take the time to educate and engage their customers...*
- *People that are committed to assuring that your book is the best that it can be...*

From digital to offset – black and white to full color – our people will walk you through the process to help you put your best book forward!
