

Publishing is riddled with obstacles

for the author. You don't need problems ... you want solutions. Book Shepherding with Dr. Judith Briles will get you through the maze and chaos. Whether your book is *fresh* off the ground or needs to be *rescued*, she will create a plan to get your vision on track.

- Not sure whether to create an independent press, self-publish or sell your project to a New York-based publisher? It's a strategic choice. *See the Book Shepherd.*
- Would you like to create a big picture for your Author and Book Platform? It's a must for your authoring success. *See the Book Shepherd.*
- Need help strategizing your Internet and website presence that features your book. Social Media is the trend, not a fad. *See the Book Shepherd.*

Judith Briles is the award-winning author of *Show Me About Book Publishing*, publisher and successful book coach with decades of experience. Personally publishing 28 books, 18 with NY houses and foreign rights in 16 countries and Founder of Author U(niversity), she knows publishing. She is The Book Shepherd.

What makes Book Shepherding with Judith unique? Simply this:

- She is **dedicated** to you and your book's success ... not your money.
- Your Author and Book Platform comes to life as Judith works with you.
- Books shouldn't be created in a cookie-cutter format ... she **personally oversees** every aspect and detail of your book.
- She can **develop** your book to be the book you always envisioned it to be ... not someone else's vision.
- Your project, **your voice is put first** ... not what she thinks your voice should be. You get referred to publishing experts that are the right fit for you ... and they don't pay her for the referral!
- She keeps you on **target**, on time and within your budget. She has already authored 28 books on her own ... she knows the pitfalls that authors run into.
- *Authoring from Within* is a critical step that The Book Shepherd emphasizes—you should too!
- You can **trust** The Book Shepherd to always put your interests first ... ALWAYS!

The Book Shepherd
Create. Strategize. Develop. Publish. Achieve.

A shepherd is defined as one who "protects, guides, and watches over." That's exactly what Judith Briles brings to your book and/or speaking project. She won't write your book for you, but she protects you from making senseless mistakes, she guides you through the meticulous process, and she watches over your journey from beginning to end. Working with Judith is one of the best investments I've made in my business.
